

The Medical Ministry of Mashoko Christian Hospital

A Legacy of Healing and Hope

1. Foundation of Compassion:

Established in 1956 by the Pruett and Pemberton families, Mashoko Christian Hospital (MCH) is dedicated to "Preaching, Teaching, and Healing."

2. Comprehensive Care: MCH is a 200-bed facility serving rural communities, treating an average of 100 patients daily, and providing a safe shelter for 100 expectant mothers.

3. Nurturing Future Healthcare Leaders:

The hospital hosts a nursing training school, cultivating the next generation of healthcare professionals with a team of over 80 dedicated staff.

4. Holistic Ministry: MCH operates two additional clinics and emphasizes a holistic approach to care—addressing physical health, education, and spiritual needs.

5. Community Outreach: MCH's outreach programs, including evangelism and mobile clinics, provide essential medical care while sharing the Good News of Jesus Christ.

6. Transformative Impact: Through initiatives like AIDS Home-Based Care and Short-Term Medical Missions, MCH improves health outcomes and fosters spiritual growth, leading to new church congregations in the area.

7. Sustainable Model: The hospital thrives on a sustainable model combining patient fees, government support, and generous donations, ensuring continued service to the community.

In Loving Memory of

John Mark Pemberton

Help us finish building
a medical clinic that
John Mark envisioned
in Rushangarumwe,
Zimbabwe.

A Vision of Hope

John Mark Pemberton dedicated his life to serving others. His dream was to ensure that everyone had access to quality healthcare, regardless of their circumstances, a quality education and to hear the Good News of the Gospel of Jesus Christ.

In 2003, he surveyed an area in Zimbabwe that was called "dark corner" because it was totally devoid of basic human services like education, a church or healthcare.

Praise God, in 2005 a Primary School was opened and a church was planted and started meeting in one of the school rooms a short time later.

In 2015, John Mark's dream of building a medical clinic began... but due to unforeseen circumstances, the clinic building at Rushangarumwe was only partially completed ...as it still sits today.

In John Mark Pemberton's honor, we are committed to completing the medical clinic at Rushangarumwe that he envisioned shortly before he died.

The Rush clinic will serve as the only healthcare facility for miles around.

This clinic embodies John Mark's vision and commitment to compassion and service. Rushangarumwe is no longer a "dark corner"!

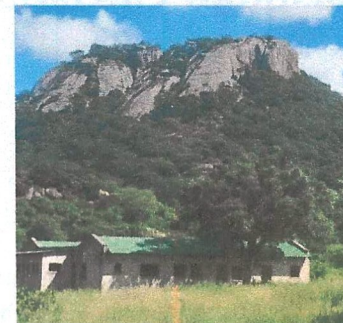

The Impact of Your Support

This clinic will provide:

- **Essential Healthcare Services:** Preventive care, maternal and child health services, and treatment for common illnesses and injuries.
- **A Safe Environment:** A place where families can receive care and education about health and wellness.
- **Healing:** A lifeline for those who currently have no access to medical care. Your support will literally help to save lives.
- **Hope:** A light to shine the love of Jesus through healthcare. No longer referred to as a "dark corner"
- **When completed, Rush clinic will serve a population of 12,000 people.**

Rushangarumwe Medical Clinic

What will it take?

Here's How You Can Make a Difference:

1. **Donate:** Every contribution, big or small, brings us closer to our goal. Visit [insert donation link] to give today.
2. **Share:** Spread the word! Share this post with your network and help us reach more compassionate hearts.
3. **Engage:** Organize a fundraiser or event in your community—every effort counts!

We need your help NOW to reach our target and ensure this clinic becomes a reality. Together, we can honor John's memory and create a lasting legacy of hope and healing.

We need to raise \$80,000 to complete construction, equip the clinic and secure the proper permits. Every donation, no matter the size, will help turn this vision into a reality.

Completion Goal: 2026

Thank you for your prayers and support!
